Marsha Meyer was present to assist with future programs sponsored by FRCL. She was given information as to the # of programs to be offered from September – May, funding and publicity. Marsha suggested collaboration with other area agencies/organizations to co sponsor programs i.e. Gull Lake Foundation. A suggestion for a November program was to have Mr. Tony Lorenz appraise items similar to what was done last year, 2013. Stevie and Dennis will collaborate to schedule Mr. Lorenz. Stevie and Marsha will contact the G. L. Foundation and investigate a possible program with the GL Rotary.
