### **Old Business**

The authors, Sarah Stewart and David Small will be putting on a program on Oct. 8. Suggestions were made to invite the 5th grade class who will be starting a garden this school year. Publicity for this event will be important to spread the information around the community and surrounding area.

Tony Lorenz is available the 1<sup>st</sup> Thursday in November for the antique appraisal program. Stevie will call him to confirm the date and time.

Ideas were discussed and the feeling of the group was to find ways to collaborate with the Gull Lake Foundation (the Foundation focus this year is on engineering and science). Stevie will be meeting with representatives from the Foundation to discuss this matter.

The motion to give money in support of the October program is tabled and will be discussed at a future meeting.

Final plans for the 40<sup>th</sup> anniversary of the library celebration were discussed and volunteers should meet at the library at Noon on Sept 13.

A motion was made to place an advertisement in the GL Communicator with the information about the author night taking place on October 8. Motion passed.  
Brinkerhoff, Kent
