

Who are we?

We are a group of local residents with a common interest - genealogy! Each of us is working to trace our family roots, find lost ancestors and discover the real people in those family photographs.

Our members have all levels of experience. We have members with published family histories and some that have discovered and visited long-lost relatives in foreign lands. Still others are new to genealogy and are seeking the guidance needed to create a family tree.

What are meetings like?

Our friendly round-table discussion allows each member to share their discoveries and ask for guidance or help in solving a research roadblock. In addition, some meetings have short educational presentations on genealogy resources.

How can you join us?

We meet on the third Thursday of each month from 10:00-11:00 a.m. in the lower level of the Richland Community Library. There is no cost to become a member. All you need to do is show up!

Join the fun!
